The image shows a black and white promotional banner for the 'Job Creation Forum'. The banner features the 'Job Creation Forum' logo at the top left, which includes a stylized diamond shape composed of smaller diamonds and the text 'منتدي خلق فرص العمل' and 'Job Creation Forum'. To the right of the logo, the text 'منتدي خلق فرص العمل' is repeated in a larger, bold font, followed by 'الاعاقات والتحديات' (Challenges and Disabilities). Below this, there is a large, curved photograph showing various professionals in their workplaces, such as a doctor with a patient, a person working on a computer, and others in industrial or office settings. At the bottom center of the banner, the website address 'www.saudijob.org' is displayed.

The collage includes the following images:

- A map of the Red Sea coastline.
- An industrial facility at sunset.
- A vineyard.
- A modern highway at night.
- A traditional building.
- An aerial view of a residential area.
- The SEED logo.
- A stylized eye icon.
- A night view of a city skyline.
- A map of the district's boundaries.

The collage includes:

- A large portrait of King Salman bin Abdulaziz Al Saud in the center.
- The logo of the General Administration for Civil Service Training (GACST) in the top right corner.
- Small images of people in traditional and modern attire throughout the collage.
- A banner at the bottom with Arabic text: "جامعة الادارة العامة - الرياض" (General Administration for Civil Service Training - Riyadh) and "١٧-٢٠١٨م - المافق ١٤٣٦هـ" (Year 2018 - 1436 AH).

البرنامج الوطني للادارة وترشيد الطاقة  
National Energy Efficiency Program

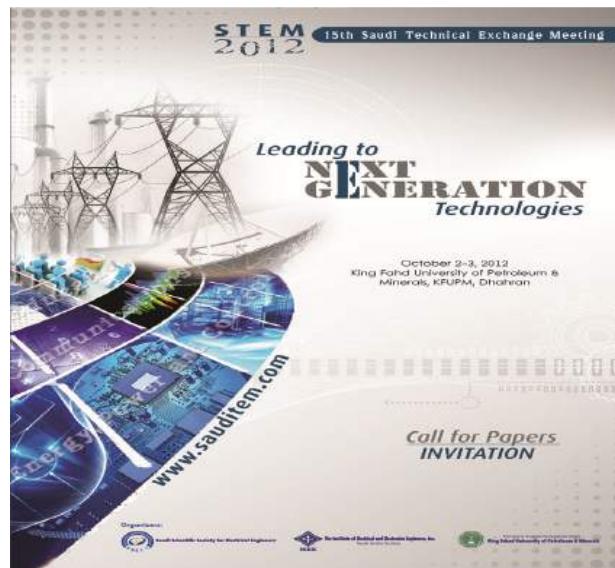

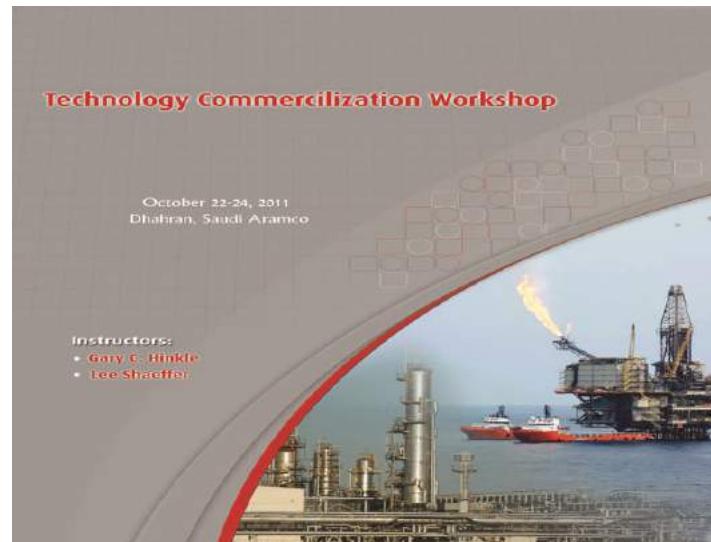

The image shows the front cover of a DVD. At the top left is a small logo for 'DVD'. The main title 'ابتكار' (Ibtikar) is written in large, blue, stylized Arabic letters. Below it, in smaller text, is 'معرض الابتكار السعودي الأول 2008' (First Saudi Innovation Exhibition 2008). In the center, there is a photograph of a medical or scientific laboratory setting with microscopes and equipment. A DNA double helix graphic is visible on the right side of the photo. At the bottom, there is a horizontal bar with the text 'تنمية الابتكار لخدمة التنمية...' (Innovation Development for Service Development...) and the exhibition details: '٢ - ٤ ربيع الأول ١٤٢٩ هـ الموافق ١٢-١٠ مارس ٢٠٠٨' (2-4 Rabi' al-Awwal 1429 H, March 12-10, 2008) and 'فندق الفورسيزونز - الرياض' (Four Seasons Hotel - Riyadh).

A detailed poster for the 14th Saudi Technical Exchange Meeting. The top half features the title 'Engineering & Knowledge Sharing' in English and 'المهندسي المعرفة' in Arabic, with a subtitle 'Reliability Engineering'. It includes the date 'Sunday, 15-16-17 November 2003' and location 'King Fahd International Convention Center, Dammam'. Below this, it says 'Under the Patronage of H.R.H Prince Muhammed Bin Fahd Bin Abdulaziz Eastern Province - Governor'. The bottom half shows a collage of industrial and technological images like oil refineries, a bridge, and a globe, with sections for 'Main Sponsor' (Saudi Aramco), 'Diamond Sponsor' (Saudia), 'Platinum Sponsor' (AK), and 'Golden Sponsors' (SABIC, PTT, and PBB). A large 'Program Agenda' section is also present.

The banner features the KFUPM logo at the top left. The main title "1ST ANNUAL KFUPM TECHNOLOGY FORUM" is displayed in red, with "TECHNOLOGY" in large letters and "FORUM" below it. Below the title is a collage of three circular images: one showing industrial structures like distillation columns, another showing a close-up of a computer keyboard, and a third showing a large satellite dish antenna. At the bottom right is the website "www.kfupm-td.com". Logos for "Platinum Sponsor" (Saudi Aramco), "Silver Sponsor" (naizak, Sipchem, and AMANTIT), and "Gold Sponsor" (SABIC) are also present.

The slide features a red and orange decorative border at the top. In the top left corner is the logo of King Saud University, and in the top right corner is the logo of the National Center for Chemical Sciences. The title 'الندوة الدولية الأولى للسلامة الكيميائية' (1st International Symposium for Chemical Safety) is centered in large Arabic text above the English title '1<sup>st</sup> International Symposium for Chemical Safety'. Below the titles, the date '17-19 April, 2015' and location 'King Saud University, Saudi Arabia' are mentioned. The main content area contains a complex molecular structure diagram with various functional groups like methyl groups (CH<sub>3</sub>O), hydroxyl groups (OH), and nitro groups (NO<sub>2</sub>). To the right of the diagram are logos for Gold Sponsors: 'الجامعة الملكية تاروت' (Tarut Royal University) and 'جامعة العصافير' (Al-Ushair University). At the bottom, the text 'برنامجه الأكاديمية' (Academic Program) is followed by 'Program Agenda'.

The advertisement features a large, stylized graphic on the right side composed of a green base and a yellow neck, resembling a bottle or a stylized tree. On the left, there's a circular logo with a mountain peak and Arabic text. In the center, a pyramid of several photographs shows various scenes from the center, such as people in a hall and outdoor areas. At the top center, the text "الملتقى للأدراك والقياسات الصيفية السابعة" is written in a decorative font. Below it, "الطاقة - الماء" is written above the address "جامعة إلزاك، الواقع في ٣١٠، الشهاب، ١٤٢٩ هـ، ٢٠٠٨، القدس، الضفة الغربية". To the right of the central text, there's a logo for "دوائر إدارية" (Administrative Circles) with a sunburst graphic. Below that is another logo for "الملتقى العربي للقياس والتقييم" (Arabic Conference for Measurement and Evaluation). The bottom right corner contains the website "www.almultqa.com".

The logo for Al-Multaqa (الملتقى) features a vibrant green background with stylized palm trees on the left. A large, semi-transparent circular graphic on the right contains a photograph of several people in traditional Saudi attire (ghutras and agals) gathered around a table, possibly during a meal or social gathering. The Al-Multaqa logo, which includes a stylized mountain peak and tree icon, is positioned in the bottom left corner of the main banner.

**Abstract:**  
The dynamics of the knowledge economy, speed of innovation, and need for jobs and wealth creation demand new organizational management structures and forms. Major economic growth in the 21st century and beyond in the context of the new millennium must be knowledge-based rather than raw material or physical asset based. Knowledge, innovation, and collaboration are fundamentals to the new infrastructure needed to support the growth of the knowledge economy. This session will discuss innovation and knowledge strategies and understanding knowledge economics, knowledge structures, knowledge technology and more, to effectively harness intellectual capital and achieve global leadership.
